<https://www.linkedin.com/in/dennisdubois>

Dennis has 30 years of finance experience in a variety of industries including distribution, franchising, software, as well as extensive experience in hospitality. Leveraging his knowledge with large corporate organizations with multiple locations, entrepreneurial organizations, small businesses as well as private equity environments, he easily pivots from business strategy, operational accounting and finance, and being a business partner with the CEO as well as department leaders to maximize growth and opportunities. He is passionate for building engaging teams as well as focusing on their individual personal growth.
