<https://www.linkedin.com/in/mark-lindner-203684b/>

Mark's strengths in collaboration and analysis are the key ingredients to his success. Mark is a true team player; easily integrating and adding value in any corporate environment, both large and small. His extensive technical experience as a controller in a variety of industries, along with a knack for tackling problems through a mix of innovative solutions and technical expertise, has enabled him to succeed as a trusted resource to the clients and organizations he's served. As a Manager, Mark is well-versed in assisting clients with all elements of accounting functionality from daily operations to audit preparedness and system implementations; allowing him to step in and quickly engage on client assignments.
