<https://www.linkedin.com/in/ericka-cummins-039b43139>

Ericka is a collaborative and experienced financial professional accomplished in global markets and private and publicly traded companies. She possesses deep accounting knowledge, private equity, and corporate expertise. She thrives in team member success and is well versed in working closely with executive management and a board of directors. Ericka is successful in identifying opportunities to increase revenue by analyzing the operating expenses of a business. She's built budgets from scratch and accounting departments from the ground up. She has an excellent work ethic and enjoys bringing sustainable solutions to her clients.
